[9:20:50 PM] Sandra: too expensive

[9:21:05 PM] Brett: Kevin: Worldwide market differences for Exergaming

[9:22:42 PM] Sandra: one problems is the acceptance of games in general

[9:27:40 PM] Brett: www.activegamingassociation.com

[9:27:40 PM] Sandra: what was it with nintendo?

[9:38:47 PM] Sandra: so konami is waitng?

[9:38:53 PM] Brett: seems so

[9:40:43 PM] Sandra: <http://gadgets.boingboing.net/2008/05/15/from-atari-joyboard.html>

[9:40:48 PM] Sandra: history of exergamin

[9:44:49 PM] kevin williams: Leisure Industry Week (LIW) – 22-24 Sep
<http://www.liw.co.uk/>

The Attraction Expo component of the show in a matter of weeks offers a chance to meet and also to gauge facility interest – the BALPPA / Drayton Manor party could be a great meeting location as well.

[9:46:30 PM] Sandra: would be nice, when a gamer could see it before

[9:48:07 PM] Sandra: LIW: <http://exergaming.pbworks.com/Exergame-ideas-for-LIW>

[9:49:15 PM] Sandra: :) it helped me a lot -> brought a customer

[9:50:58 PM] Sandra: what is wrong with the wiki?

[9:51:44 PM] kevin williams: try this tool for personal use:

http://www.evernote.com/about/what_is_en/

[9:52:49 PM] Sandra: this is worst: <http://www.gaming4health.com/>

[9:52:54 PM] Sandra: very bad usability

[9:55:57 PM] Sandra: would be great also for me

[9:57:24 PM] Brett: The ultimate definition of Exergaming/Active Gaming

[10:07:59 PM] Brett: The genre, the application and the market

[10:09:59 PM] Sandra: important do we exclude someone?

[10:10:47 PM] Sandra: no screen - can be a game!!!

[10:13:36 PM] Brett: Conference for 2010 (Exergaming)

[10:25:00 PM] Brett: <http://www.virtualairguitar.com/gdcvideos/>

[10:26:51 PM] Sandra: and sony

[10:30:26 PM] Sandra: Richard is it

[10:30:49 PM] Sandra: offline

[10:32:40 PM] Sandra: hi Richard

[10:34:43 PM] Sandra: did not work with Xp

[10:35:26 PM] Gamercize UK: Hi Sandra!

[10:36:17 PM] Sandra: gamer love teamspeak :)

[10:38:59 PM] *** Gamercize UK has changed the conversation topic to "Working out the Skype" ***

[10:39:45 PM] Sandra: there is an add on like a whiteboard

[10:40:48 PM] Sandra: Gesture Recognition: who is using what kind of technology?
who invented it?

[10:56:04 PM] *** Call ended ***
